

Facilities and management

Walsworth Common is a greenspace which is situated to the north-east of Hitchin on the River Purwell. The site is owned and managed by North Herts Council. Walsworth Common is registered Common Land consisting of a large area of amenity grassland, longer conservation cut grassland, scrub, mature trees, a pond and the River Purwell running along its northern and eastern boundaries.

Facilities on site include two football pitches, a basketball court, skateboard ramp and two children's play areas. Local people use the common for informal recreation including dog walking, exercise and as a walking/cycling route to school and work. With its large area of amenity grassland the common is an ideal area to hold large public events like fairs, festivals, circuses and concerts.
